

# PoDDDer<sup>\*</sup>

**Introduction & Demonstration of \*3D Printing with Clay  
Presented by Geoff Flash (PoDDDer)**

**May 14<sup>th</sup> 2016 (Second Saturday) 10AM – 3PM**

This introduction will cover the basics, software, and processes for printing in 3D with clay. The “Potterbot” 3D clay printer, by [deltabots.com](http://deltabots.com) will be demonstrated and printing pieces like the one above. Come and see what the newest clay tool is all about. Seating is limited.

**\*\* We suggest you bring a laptop or tablet to the class \*\***

**\$50 PER PERSON**

**Please call 1-800-723-7264 x 204 or
